Project Title:
Cancer Resource and Capacity Building Program

Award Mechanism:
Legacy Grant

Principal Investigator:
Cook, Ginger

Entity:
Funding Solutions

Lay Summary:

The Cancer Resource and Capacity Building Program (CRCBP) will assist CPRIT's funded projects in identifying, seeking and securing public and private funds that enhance cancer control efforts, further the goals of the Texas Cancer Plan, and assist projects in their efforts to keep their programs sustainable beyond their CPRIT contracts. This will be accomplished by providing access to funding source information in CRCBP's database, distribution of CRCBP's weekly Funding Alert, personal technical assistance and training, and development of a funding guide to be made available to the public on CPRIT's website.
