Rev 12/19/13 Release of Instructions for Applicants

Rev 1/15/14 Revised Section 15, Tab 4: Required Documents

CPRIT Grants Summary: This form will not require listing all prior CPRIT funding to the organization; only prior CPRIT funding to the PD or Co-PD of the application is required. Section text has been revised by deleting “organization” from the sentence to now read: “This form must be completed if the PD or Co-PD has previously received CPRIT funding.”

1. INTRODUCTION

The CPRIT Application Receipt System (<https://cpritrants.org>) provides a means for the prevention community (i.e., Program Directors [PDs] and Application/Authorized Signing Officials [ASOs]) to respond to CPRIT funding opportunities electronically over the Internet through a secure connection. This document provides instructions and guidance to applicants on how to successfully submit an application in response to CPRIT's Requests for Applications (RFAs) for FY14 Cycle 2. Applications for the current cycle may be submitted from December 19, 2013, to February 27, 2014.

2. SUMMARY INSTRUCTIONS

- The PD and an ASO (the person authorized to sign for the organization and authorized to submit an application for the organization) will need to create user accounts in the CPRIT Application Receipt System. These are two different roles, and an account for each is required in order for an application to be submitted. If the same person serves as the PD and the ASO, a separate account must be set up for each role. An application cannot be submitted without ASO approval.
- **Document Format for Uploaded Files:** Portable Document Format (PDF) only.
 - Do NOT password-protect documents.
 - Do NOT submit documents that are bound together in a single PDF package.
- **Font Type/Size:** Arial (11 point), Calibri (11 point), or Times New Roman (12 point).
- **Page Format:** 8.5 x 11 inches page sized, 0.75-inch margins in all directions, single spacing.
- **Templates:** Use provided templates for Biographical Sketches (Biosketches), Current and Pending Support, Resubmission Summary, CPRIT Grants Summary, and Summary of Goals and Objectives (as applicable).
- **Submission Process:**
 - i. The applicant completes all sections and forwards the application to the institution's ASO for review and final submission to CPRIT.
 - ii. The application must be submitted by the ASO on or before the deadline: February 27, 2014, 3 p.m. Central Time.

- **Tab Finalization and Reset**

- Application information saved as “draft” can be edited at a later time. Once application information is “finalized for ASO approval,” it can be edited only after an ASO has reset the section to draft mode at the request of the applicant.

3. SYSTEM REQUIREMENTS

3.1. Operating System

The CPRIT Application Receipt System has been developed to run on the following operating systems:

- Windows 2000
- Windows XP
- Window Vista
- Mac OS X 10.2 and above

If you are unsure whether your operating system is compatible with the CPRIT Application Receipt System, please send an e-mail that includes what operating system you are currently using to the HelpDesk at Help@CPRITGrants.org.

3.2. Internet Browsers

This site is best viewed at a resolution of 1024 x 768 using the following browsers:

- Microsoft Internet Explorer 7.0 and above
- Mozilla Firefox 3.0 and above
- Apple Safari 3.0 and above

If you are unsure whether your browser is compatible with the CPRIT Application Receipt System, please send an e-mail indicating which Internet browser you are currently using to the HelpDesk at Help@CPRITGrants.org.

3.3. Cookies

The CPRIT Application Receipt System requires the use of nonpersistent cookies. If you attempt to log into the system with the correct user ID/password, and you are denied access, please make sure that your Internet browser accepts nonpersistent cookies. If you need help configuring your browser to accept cookies, please refer to the FAQ (<https://cpritrgrants.org/FAQ/>) or contact the HelpDesk.

3.4. Inactivity Timeout

For security reasons, the inactivity timeout rule for a session login is 4 hours. This means that if you are logged into the system but have not clicked on a link or button for a period greater than 4 hours, you will automatically be logged out of the system and will potentially lose any unsaved

information. Please make sure you have saved any changes, and log out when you are not using the system. To logout, select the “Logout” link found in the top right portion of the page.

4. APPLICATION SUBMISSION DEADLINE

The application must be submitted on or before February 27, 2014, 3 p.m. Central Time.

5. APPLICATION PREPARATION AND SUBMISSION PROCESS

- The applicant completes/finalizes a series of numbered tabs of the application.
- Finalized tabs can be reset by the ASO.
- Once all tabs are finalized, the ASO reviews, approves, and submits the application to CPRIT.

6. APPLICATION/AUTHORIZED SIGNING OFFICIAL (ASO)

An ASO is required and must be identified by the PD. As the organization’s representative, the ASO is required to review the tabs finalized by the PD and subsequently submit the application. Only the ASO is authorized to officially submit the application to CPRIT. The ASO can reset applicant-finalized tabs to draft at the request of the applicant.

7. GRANTS CONTRACT/OFFICE OF SPONSORED PROJECTS OFFICIAL

The Grants Contract/Office of Sponsored Projects Official is the individual who will manage the grant contract if an award is made. In some organizations without an Office of Sponsored Projects, the roles of PD and/or ASO as well as Grants Contract Official may be assigned to the same individual. This individual must be identified for the application. The PD or the ASO can assign this individual to this role.

8. USER REGISTRATION AND “MY PROFILE” SETUP

8.1. Registration

Applicants begin the application process by registering or logging in to the CPRIT Application Receipt System (<https://cpritrants.org>). All users can register for an account in the “*Sign In/Register*” section of the home page. To register, select the “*Register here*” link, and complete the required information. PDs, Co-PDs, and Alternate Submitters should register as an applicant (or someone who works for one). An ASO, Alternate ASO, or Grants Contract/Office of Sponsored Projects Official should register as an ASO (or someone who works for one).

Upon successful login to the system, the applicant will be presented with the *My Applications* page screen shown below:

The screenshot displays the 'My Applications' page. At the top left is the CPRIT logo and the text 'CANCER PREVENTION & RESEARCH INSTITUTE OF TEXAS Application Receipt System'. On the top right are links for 'Home', 'Help Des', 'Guide', 'FAQ', and 'Log Out'. Below this is a navigation bar with tabs for 'My Profile', 'My Applications', 'My Grants', 'Manage Organization Agreements', 'Current Funding Opportunities', 'Feedback', 'Review Grants', and 'HelpDe'. A secondary bar contains 'Administrati', 'Application List', 'Start New Application', and 'Reporting'. The main content area shows 'Logged in as: System Admin [not System Admin click here]', 'Home > My Appli', and the title 'My Applications'. Below the title is a text box: 'Here you can manage your in-progress, submitted and past applications or [start a new application](#) for those programs currently accepting application submissions.' This is followed by a 'Filter Application List' section with dropdowns for 'Show All Applications' and 'Show All My Roles', radio buttons for 'Since FY' (selected) and 'Only For FY', a 'FY 2014' dropdown, and a 'With Status of:' section with checkboxes for 'Draft', 'Pending ASO Approval', 'Pending Responsiveness Review', 'ASO Approved and Submitted', and 'Deleted/Withdrawn'. A 'Refresh List' button is also present. Below the filter section is a text box: 'A filtered list of your applications is displayed below. You can sort this list by clicking on any of the underlined table headings. To view all of your applications, you may need to adjust the filters in the above table and press the "Refresh List" button.' At the bottom is a table header with underlined columns: 'Application ID', 'Type**', 'Title', 'Applicant', 'My Role', 'Due Date', 'Status', 'Funding Status', and 'Actions'.

All prior submitted applications by that user are listed on this page.

8.2. My Profile

Profiles contain contact information for individuals and organizations. Profiles for PDs, Co-PDs, and Alternate Submitters contain contact and biosketch information for individuals associated with the application. Profiles for ASOs, Alternate ASOs, and Grants Contract/Office of Sponsored Projects Officials do not contain biosketches; these profiles contain only information pertaining to the organization. All profile information should be completed before adding an individual to an application.

8.2.1. My Profile for PDs, Co-PDs, and Alternate Submitters

PDs, Co-PDs, and Alternate Submitters can set up their user profile by selecting the “*My Profile*” link at the top-left portion of the page. The user profile contains information that will be used to autofill some of the fields in the application. Multiple contact information records can be stored in a single profile in the system, but only the default contact information record will be used to populate the “*Contacts*” section of an application. If necessary, PDs can apply a different contact record in the “*Contacts*” section after a new application has been started.

Applicants must upload a biosketch under the Biosketch tab in the “*My Profile*” section. A biosketch is required for PDs and Co-PDs assigned to an application, and will automatically be incorporated into each assigned application for that individual. Applicants should use the Prevention program biographical sketch template.

8.2.2. My Profile for ASOs, Alternate ASOs, and Grants Contract/Office of Sponsored Projects Officials

ASOs, Alternate ASOs, and Grants Contract/Office of Sponsored Projects Officials can set up their user profiles by selecting the “*My Profile*” link at the top-left portion of the page. These profiles contain information pertaining to the organization, including name, address, institution, and DUNS and EIN numbers. Multiple contact information records can be stored in a single profile in the system, but only the default contact information record will be used to populate the “*Contacts*” section of the application submission. If necessary, these individuals can apply a different profile in the “*Contacts*” section after a new application has been started.

9. STARTING AN APPLICATION

9.1. Starting a New Application

New applications can be started in one of two ways:

- (i) My Applications (this is the default post-login page) → click *start a new application* → *FY 2014 Prevention Programs* → select the appropriate RFA → click *New Application*, or
- (ii) Current Funding Opportunities → click *FY 2014 Prevention Programs* → select the appropriate RFA → click *Start New Application*.

Upon starting a new application, applicants are required to enter the title of the application (160-character limit; can be edited later) and select the submitter role. Do NOT use symbols or special characters (including bullets)—these will not be transmitted correctly.

For CCE applications, applicants are required to enter the 8-digit application ID for the initial funded project in the Initial Project ID text field.

Carefully read the information on the summary page before moving on to the numbered tabs.

- Tab 1 (*Contacts*) must be completed/finalized before Tab 3 (*Collaborating Organizations*).
- Tab 2 (*Application Information*) must be completed/finalized before Tab 5 (*Budget*).

Other tabs may be completed in any order. Applicants must successfully complete/finalize all tabs to obtain ASO approval before the application can be successfully submitted by the ASO.

9.2. Starting a Resubmission Application

Resubmission applications can be started from the *My Applications* page by clicking the “*Start Resubmission Application*” link of a previously nonfunded application. Note that resubmissions are not applicable to CCE since it is a new mechanism.

Upon starting a resubmission application, applicants may revise the title of the application (prepopulated from the previous submission; 160-character limit) and select the submitter role. Do NOT use symbols or special characters (including bullets)—these will not be transmitted correctly. Once this step is completed, applicants will be directed to the summary page.

Note: Only the title of the previously submitted application is prepopulated for a resubmission application. All other information, including the names of any Co-PDs, collaborators, and all required documents must be submitted afresh. If a summary statement was prepared for the previous application, it will be automatically uploaded as part of the resubmission application (see Section 15: Tab 4: Required Documents). If a summary statement was not prepared, no document will be uploaded.

Carefully read the information on the summary page before moving on to the numbered tabs.

- Tab 1 (*Contacts*) must be completed/finalized before Tab 3 (*Collaborating Organizations*).
- Tab 2 (*Application Information*) must be completed/finalized before Tab 5 (*Budget*).

Other tabs may be completed in any order. Applicants must successfully complete/finalize all tabs to obtain ASO approval before the application can be successfully submitted by the ASO.

9.3. Starting a Continuation/Expansion Application

All continuation/expansion applications MUST be submitted through the Competitive Continuation/Expansion (CCE) mechanism; they will be considered as new applications since CCE is a new mechanism.

Carefully read the information on the summary page before moving on to the numbered tabs.

- Tab 1 (*Contacts*) must be completed/finalized before Tab 3 (*Collaborating Organizations*).
- Tab 2 (*Application Information*) must be completed/finalized before Tab 5 (*Budget*).

Other tabs may be completed in any order. Applicants must successfully complete/finalize all tabs to obtain ASO approval before the application can be successfully submitted by the ASO.

In cases where one person is served multiple times, each instance of service should be counted separately (e.g., a person who received a screening for breast, cervical, and colorectal cancer would equal three persons served). In the text fields provided, itemize activities and include estimates of the numbers of public and professionals reached and served for each activity.
- **Target Population**
 - **Geographic Area to be Served:** Select the Texas counties that apply.
 - **Gender of Target Population:** Choose one option.

Click the appropriate box (“Save Application Information as Draft” or “Finalize Application Information for ASO Approval”) to save entered application information.

Note: Application information saved as “draft” can be edited at a later time. Application information “finalized for ASO approval” can be edited only after the ASO has reset the section to draft mode at the request of the applicant.

14. TAB 3: COLLABORATING ORGANIZATIONS

- **Collaborating Organizations:** Enter information for all collaborating organizations. A collaborating organization is any organization other than the applicant organization that will contribute one or more components essential to the success of the program. Indicate if the organization is a Texas Department of State Health Services Breast and Cervical Cancer Services (BCCS) contractor. Click the “*Save as Draft*” button to save additions.

Do NOT use symbols or special characters—these will not be transmitted correctly. Save entered information.
- **Project Timeline:** Upload the project timeline PDF document (up to 2 pages).

- **Biographical Sketches of Key Personnel:** Up to three additional biosketches of key personnel may be submitted. Use the template provided under the *Summary* tab for each biosketch. Biosketches must not exceed 2 pages for each individual. Multiple biosketches must be combined into a single file and submitted as a single PDF document. If the position is not yet filled, upload a job description. This document is optional. Do NOT include a biographical sketch for the PD or Co-PDs in this section, as they will be automatically pulled into the application from the PD and Co-PD(s) profile(s).
- **Summary Statement (Applies to CCE, and Resubmission of EBP or PE Only):** If a summary statement was prepared for the previous application, it will automatically be uploaded as part of the resubmission application. For Health Behavior Change Through Public Education Awards (PE), applicants may request up to \$300,000 in direct costs for up to 36 months. Budget requests must be well justified.

Note: Some or all of the following buttons appear on each subtab:

Previous = move to the previous subtab

Next = move to the next subtab

Save Budget as Draft = save entered information

Finalize Budget for ASO Approval = finalize section

The *Previous* and *Next* buttons allow the user to move between subtabs while retaining entered information for as long as the user is on the *Budget* tab. Information entered on any subtab is NOT saved until the “*Save Budget as Draft*” button is clicked. Moving from the *Budget* tab to another tab without saving will result in loss of any unsaved changes.

Effort on Project: For each individual listed, enter percent effort on the project.

Salary Requested: The individual salary cap for CPRIT awards is \$200,000. (See Section 16.5, Salary Cap.) Click “*Calc*” to autocalculate the requested salary.

Fringe Benefits: For each individual listed, institutional fringe benefits must be calculated based on the individual's direct salary requested.

16.2. Detailed Budget for Year One

Provide the information requested for other direct charges in the first year of the project.

Travel: Include any charges associated with necessary travel. CPRIT funds may be used to send up to TWO people to CPRIT's conference.

Equipment: Itemize as necessary (400-character limit). Equipment having a useful life of more than 1 year and an acquisition charge of \$5,000 or more per unit must be specifically approved by CPRIT if the project is funded. Note that this category should be used ONLY for equipment with a cost of \$5,000 or more **per unit**. Use the Supplies category for any equipment with a cost of less than \$5,000 per unit.

Supplies: Itemize by category (800-character limit).

Consultant Charges: Enter charges for consulting services that may be used during the proposed project.

Contractual (Subaward/Consortium): List all subawards as well as collaborator-associated or contractually associated amounts (400-character limit). State direct charges only. Each subaward must be itemized in the *Budget Justification* subtab by stating project charges for personnel, equipment, supplies, clinical services, and other expenses.

Services Charges (Screening or Survivorship): Use only if vaccination, screening, diagnostic (or other clinical), or survivorship services will be provided. Provide a total amount for services. Provide details on the *Justification* subtab for each service to be provided. Details should include service, CPT code (if applicable), rate, and estimated number of people served. Calculate the charge of each service (by CPT code, if applicable) as follows:

$$\text{Rate} \times \text{Estimated number of people to receive service} = \text{Charge}$$

CPRIT reimburses at the Medicare reimbursement rates. If rates exceed these rates, provide a detailed justification/explanation, which will be closely reviewed. CPRIT funds will be distributed on a reimbursement basis.

Other: Itemize other project-associated direct expenses by category (800-character limit).

Note: It is CPRIT's policy **not** to allow recovery of indirect charges for prevention programs.

16.3. Budget for Entire Proposed Period of Performance

Amounts for *Budget Year One* will be autopopulated based on the information provided on the previous subtabs, namely, *Senior/Key Person & Other Personnel* and *Detailed Budget for Year One*. Adjustments of up to a 3-percent annual increase for salary and other categories are permitted for additional years. A 3-percent salary increase for Years 2 to 3 is permitted up to the cap of \$200,000. The salary cap (see Section 16.5: Salary Cap) may be revised every year at CPRIT's discretion.

Dollars Per Person Served: Dollars per person served will be autocalculated by dividing the total charges for the entire proposed period of support by the total population served (as indicated in Tab 2: Application Information).

Estimated Revenue: Applicants should provide estimated revenue amounts and the source of estimated revenue (e.g., collected registration fees for professional conferences). Estimated revenue should not be deducted from or added to the total requested budget.

16.4. Budget Justification

Provide a brief and concise justification of the budget (15,000-character limit) for the entire proposed period of support, including specific descriptions of charges for personnel, travel, equipment, supplies, contractual, services, and other expenses. For any subcontracts, itemize and provide a brief description of each item to be paid through the contract (e.g., personnel, travel, equipment, supplies, services, or other expenses).

16.5. Salary Cap

The salary cap for CPRIT awards in FY 2014 (September 1, 2013, through August 31, 2014) is \$200,000. Thus, the maximum direct salary support that an individual can request is up to \$200,000 of his or her institutional salary based on percentage effort on a project.

The following table outlines the salary cap guidelines. Institutional fringe benefits should be calculated based on the direct salary support requested.

Base institutional salary (full-time calendar appointment)	Effort on project	Maximum direct salary support that would be requested by the applicant
Less than \$200,000	1–100%	Up to base salary
More than \$200,000 (e.g., \$300,000)	100%	\$200,000
More than \$200,000 (e.g., \$300,000)	50%	\$100,000
