Rev 6/6/19 Release of Instructions for Applicants

Rev 12/3/19 Release of revised Instructions for Applicants. Includes changes to section 14, pages 19-22 to match IFA text with that seen in CARS

## 1. INTRODUCTION

The Cancer Prevention and Research Institute of Texas (CPRIT) Application Receipt System (CARS) (<https://CPRITGrants.org>) allows response to CPRIT funding opportunities electronically over the Internet through a secure connection. This document provides instructions and guidance to applicants on how to successfully submit an application in response to the Dissemination of CPRIT-Funded Cancer Control Interventions (DI) Request for Applications (RFA) for FY20 Cycles 1 and 2.

## 2. FORMAT REQUIREMENTS

All sections of the application should be written in clear and legible text and must follow the guidelines described below. Applicants are advised to use font sizes, font faces, line spacing, page sizes, and page margins that permit easy readability of the application text. Applications that do not meet these guidelines are subject to administrative withdrawal.

Formatting guidelines for all submitted CPRIT applications are as follows:

- **Language:** English
- **Document Format for Uploaded Files:** PDF only
  - Do NOT password protect documents.
  - Do NOT submit documents that are bound together in a single PDF package.
- **Font Type/Size:** Arial (11 point), Calibri (11 point), or Times New Roman (12 point)
- **Line Spacing:** Single
- **Page Size:** 8.5 x 11 inches
- **Margins:** 0.75 inch in all directions
- **Color and High-Resolution Images:** Any images, graphs, figures, and other illustrations must be submitted as part of the appropriate submitted document. It is suggested that applicants include text to explain illustrations that may be difficult to interpret when printed in black and white.
- **Scanning Resolution:** 100 to 150 dpi
- **References:** Use a citation style that includes the full name of the article and that lists at least the first 3 authors. Official journal abbreviations may be used. An example is

included below; however, other citation styles meeting these parameters are also acceptable as long as the aforementioned information is stated.

Smith, P.T., Doe, J., White, J.M. (2006). Elaborating on a novel mechanism for cancer progression. *Journal of Cancer Research*. 135: 45-67.

Include URLs of publications referenced in the application.

- **Headers and Footers:** Page numbers may be included in the footer. Otherwise, headers and footers should not be used (unless they are part of a provided template).
- **Page Numbering:** Pages should be numbered.
- **Templates:** Use provided templates for Biographical Sketches (Biosketches), Current and Pending Support, Resubmission Summary, and CPRIT Grants Summary (as applicable).

### 3. SYSTEM REQUIREMENTS

Note that CARS will be unavailable the third Thursday of each month between 7 PM and 9 PM central time for routine system maintenance.

#### 3.1. Operating System

CARS has been developed to run on the following operating systems:

- Windows XP
- Windows Vista
- Windows 7 and above

If you are unsure whether your operating system is compatible with CARS, please send an email that includes what operating system you are currently using to the Helpdesk at [Help@CPRITGrants.org](mailto:Help@CPRITGrants.org).

#### 3.2. Internet Browsers

This site is best viewed at a resolution of 1,024 x 768 using the following browsers:

- Microsoft Internet Explorer 10.0 and above
- Mozilla Firefox 41.0 and above
- Google Chrome (Mac and Windows) 46.0.2490 and above

**Note:** CARS is not compatible with mobile technology (eg, Surface Pro, iPad). It is recommended that applicants use a PC to complete the application submission process.

If you are unsure whether your browser is compatible with CARS, please send an email indicating which Internet browser you are currently using to the Helpdesk at [Help@CPRITGrants.org](mailto:Help@CPRITGrants.org).

### 3.3. Cookies

CARS requires the use of nonpersistent cookies. If you attempt to log into the system with the correct user ID/password and you are denied access, please make sure that your Internet browser accepts nonpersistent cookies. If you need help configuring your browser to accept cookies, please refer to the FAQ (<https://cpritgrants.org/FAQ>) or contact the [Helpdesk](#).

### 3.4. Inactivity Timeout

For security reasons, the inactivity timeout rule for a session login is 4 hours. This means that if you are logged into the system but have not clicked on a link or button for a period greater than 4 hours, you will automatically be logged out of the system and will potentially lose any unsaved information. Please make sure you have saved any changes, and log out when you are not using the system. To log out, select the *Logout* link found in the top right portion of the page.

## 4. APPLICATION SUBMISSION DEADLINE

Applications will be accepted on a continuous basis throughout FY 2020; application review and award notification will generally occur twice per year according to the schedule below. For an application to be considered for review during a given review cycle, that application must be submitted on or before 11:59 PM central time on the respective deadline date.

<b>FY2020</b>	<b>Application Deadline</b>	<b>Application Review</b>	<b>Oversight Committee Award Approval</b>
20.1	12/2/2019	January 2020	February 2020
20.2	6/2/2020	July 2020	August 2020

## 5. PERSONNEL AND APPLICATION ROLES IN CARS

### 5.1. Required personnel

- **Program Director (PD):** The PD oversees the project and is responsible for the overall performance of the funded project. The PD completes and finalizes a series of numbered tabs of the application. *The PD starts the application in CARS.*
- **Application/Authorized Signing Official (ASO):** The ASO is the organization's representative who is authorized to officially submit the application to CPRIT. The ASO is identified by the PD in CARS, can reset applicant-finalized tabs to draft at the request of the applicant, and submits the application. *The ASO submits the application in CARS.*
- **Grants Contract/Office of Sponsored Projects Official (GC/OSPO):** The GC/OSPO manages the grant contract if the award is made. The GC/OSPO is identified by either the PD or ASO in CARS. *The GC/OSPO must be entered in CARS but does not have a required role in application submission.*

Note that in some organizations without an Office of Sponsored Projects, the roles of PD and/or ASO as well as Grants Contract Official may be assigned to the same individual. However, this individual will need to have separate accounts in CARS to carry out each of these distinct roles (see [section 6.1](#) below).

### 5.2. Optional personnel

- **Co-Program Director (Co-PD):** The Co-PD assumes equal responsibility with the PD for overall performance of the funded project. *The Co-PD can start the application in CARS.*
- **Alternate Submitter:** The Alternate Submitter is designated by the PD to complete PD tasks in CARS.
- **Alternate ASO:** The Alternate ASO is designated by the ASO to complete ASO tasks in CARS.

## 6. REGISTRATION AND “MY PROFILE” SETUP

### 6.1. User Registration

Applicants begin the application process by registering or logging in to CARS

(<https://CPRITGrants.org>). All users can register for an account in the *Sign In/Register* section of

the home page. To register, select the *Register here* link and complete the required information. PDs, Co-PDs, and Alternate Submitters should register as an applicant (or someone who works for one). An ASO, Alternate ASO, or GC/OSPO should register as an ASO (or someone who works for one).

Upon successful login into the system, the applicant will be presented with the *My Applications* page screen shown below:

The screenshot shows the 'My Applications' page. At the top, there is a header for the 'CANCER PREVENTION & RESEARCH INSTITUTE OF TEXAS' with a logo on the left and links for 'Home', 'Help Desk', 'Guide', 'FAQ', and 'Log Out' on the right. Below the header is a navigation bar with tabs: 'My Profile', 'My Applications' (selected), 'Bridge', 'My Grants', 'Manage Organizations', 'Current Funding Opportunities', and 'Feedback'. Under 'My Applications', there are sub-tabs: 'Application List' (selected) and 'Start New Application'. The main content area is titled 'My Applications' and contains a message: 'Here you can manage your in-progress, submitted and past applications or [start a new application](#) for those programs currently accepting application submissions.' Below this is a 'Filter Application List' section with several filters: 'Show All Applications' (dropdown), 'Show All My Roles' (dropdown), 'Since FY' (radio button selected, 'FY 2010' dropdown), 'Only For FY' (radio button), and 'With Status of:' (checkboxes for Draft, Pending ASO Approval, Pending Responsiveness Review, ASO Approved and Submitted, Deleted/Withdrawn). A 'Refresh List' button is on the right. Below the filters is a note: 'A filtered list of your applications is displayed below. You can sort this list by clicking on any of the underlined table headings. To view all of your applications, you may need to adjust the filters in the above table and press the "Refresh List" button.' At the bottom, there is a table header with underlined columns: 'Application ID', 'Type\*\*', 'Title', 'Applicant', 'My Role', 'Due Date', 'Status', 'Funding Status', and 'Actions'.

All prior submitted applications by that user are listed on this page.

After initial registration or after login, all users are encouraged to complete/verify the information under the *My Profile* link on the top left of this screen. Profiles contain contact information for individuals and organizations. All profile information should be completed before adding an individual to an application.

## 6.2. Organization Registration

If your organization does not appear in the drop-down list during registration, please contact the [Helpdesk](#) for assistance. In order to create or reactivate an organization, the Helpdesk will need the following information, which should be sent in an email to [help@cpritrgrants.org](mailto:help@cpritrgrants.org):

- Organization Name (exactly as you want it to appear in our system)
- EIN (Employer Identification Number)
- Organization Type (Academic or Non-Academic)
- Fiscal year end date (for example, CPRIT's fiscal year ends on 8/31/2019)

- What deadline do you need to meet?
- To which mechanism will you be applying?

If your organization does not yet have an EIN, please visit <https://www.irs.gov/businesses/small-businesses-self-employed/apply-for-an-employer-identification-number-ein-online> to get one.

The EIN application process should take about 15-20 minutes and must be completed in a single session. The EIN will be provided immediately upon successful completion of the process.

### **6.3. My Profile**

Users can set up their profiles by selecting the *My Profile* link at the top left portion of the page. The user profile contains information that will be used to autofill some of the fields in the application.

A biosketch is required for PDs and Co-PDs assigned to an application. Note that biosketches will not be transferred from the user profile and will need to be separately uploaded into the application (see [section 13](#)).

### **6.4. ORCID iD**

In this review cycle, applicants may link their Application Receipt System profiles to their ORCID iDs on an optional basis so that CPRIT can have access to the applicant's ORCID profile at the time of application submission.

Upon a user's first login in this review cycle, the user will be prompted with a modal window (seen below) announcing support for ORCID authentication with the ability to opt out of any further notifications. If the user selects "Do not show this window again," the user will not be prompted again.

As directed by the modal window displayed below, during the initial login, on the "My Profile" page, the user is displayed a description of the authentication process and is invited through an ORCID-branded link to correlate his/her CARS and ORCID profiles. Note that the system will also provide identical functionality within the "Contacts" tab of all new applications.

The screenshot shows the 'My Profile: Account Info' page. At the top, there is a navigation bar with links like 'My Profile', 'My Applications', 'Bridge', etc. Below that, there are tabs for 'Account Information', 'Contact Information', 'Descriptive Information', and 'Biosketch'. The main content area is titled 'My Profile: Account Info' and contains a form with the following fields: Role (I am an Applicant or Work for One), Salutation (Ms.), First Name (System), Middle Initial, Last Name (Admin), Suffix (III), and Login/Username (SysAdmin). There are also links for 'Update Password' and 'Update Security Questions'. A button labeled 'Register or Connect your ORCID ID' is highlighted with a red arrow. The page also includes a 'Save Changes' button and a 'Logged in as: System Admin' notification.

Upon clicking on the ORCID-branded link, the system will open a new tab on the user’s browser that will direct the user to enter his/her ORCID username and password. Users without an ORCID account can initiate one from this window.

Upon a successful login to the ORCID system, the user will be directed to a modal window that explicitly requests permission from the user to share his/her public ORCID profile with CARS.

If permission to correlate the 2 accounts has been provided by the authenticated user, the system then returns the user to the page from which the authentication started (ie, either the “My Profile” page or the “Contacts” tab of a new application). The system will then display a brief message confirming the authentication and replacing the ORCID-branded link with a new button that directs the user to his/her specific ORCID profile page.

## 7. STARTING AN APPLICATION

### 7.1. Starting a New Application

New applications can be started in 1 of 2 ways:

1. My Applications (this is the default post-login page) → click *Start a New Application* → *FY 2020 Prevention Programs* → select the appropriate RFA → click *New Application*, or
2. Current Funding Opportunities → click *FY 2020 Prevention Programs* → select the appropriate RFA → click *Start New Application*.

Upon starting a new application, applicants are required to enter the title of the application (160-character limit; can be edited later) and select the submitter role. Do NOT use symbols or special characters (including bullets)—these will not be transmitted correctly.

Applicants are required to enter the 8-digit application ID for the initial funded project on which their current application is based in the Initial Project ID text field.

## **7.2. Starting a Resubmission Application**

This option should be used for resubmission of an application previously submitted but not awarded. One resubmission is permissible. Resubmission applications can be started from the *My Applications* page by clicking the *Start Resubmission Application* link of a previously nonfunded application.

Upon starting a resubmission application, applicants may revise the title of the application (prepopulated from the previous submission; 160-character limit) and select the submitter role. Do NOT use symbols or special characters (including bullets)—these will not be transmitted correctly. Once this step is completed, applicants will be directed to the summary page.

All other information, including the names of any Co-PDs, collaborators, and all required documents must be submitted afresh.

Applicants preparing a resubmission must complete the Resubmission Summary form in addition to a full application to describe the approach to the resubmission and how reviewers' comments were addressed. Any subsequent resubmission of the project needs to be substantially changed in order to be eligible for consideration.

## **8. STATUS DISPLAY**

### **8.1. Tab Status**

The status of each individual tab is displayed under the row of numbered tabs. The figure below is an example of the status of Tab 1. It may display “DRAFT,” “PENDING ASO APPROVAL,” or “ASO APPROVED AND SUBMITTED.”

### **13. TAB 4: REQUIRED DOCUMENTS**

All documents must be uploaded in PDF format only. The system will not allow upload of documents in other formats or of documents that exceed the page limits specified in the RFA. Do NOT password protect documents. Do NOT submit documents that are bound together in a single PDF package.

Do NOT use symbols or special characters—these will not be transmitted correctly. Save entered information. Each objective text field will be populated with sections for objective, baseline, and measure; all sections must be completed. Each measure should be a quantity designed to track and assess the status of a given objective. A metric may be defined as the manner in which the measure will be quantified in order to provide an interpretable value. Proposed metrics should be described within both the stated objective and the measure. Provide an explanation if “0”

is entered for any baseline or measure. Plans to establish baseline and method(s) of measurement in cases where a baseline has not been defined **must** be provided. The goals and objectives will be used during contract negotiation and for evaluation of annual progress reports.

- **Project Timeline (PDF format):** Upload the project timeline PDF document (up to 2 pages). The timeline does not have a specified format, such as a table or Gantt chart. However, time should be listed as general (Year 1, Month 1) instead of as specific months and years (ie, do not specify September 2020). The timeline will be used during contract negotiation and for evaluation of annual progress reports.
- **Project Plan (PDF format):** Upload the project plan PDF document (up to 12 pages). The project plan must follow the required format specified in the RFA.

- **CPRIT Grants Summary (PDF format; use template provided):** Upload the CPRIT Grants Summary. Applicants **must** use the template provided under the *Summary* tab. Ensure that the most recent template downloaded from CARS is used, as the template may have changed since a previous submission. List all projects funded by the CPRIT Prevention program for the PD or Co-PD, regardless of their connection to this application. If no previous CPRIT Prevention funding has been received, indicate “not applicable” or “N/A” on the form and upload the document.
- **Current and Pending Support (PDF format; use template provided):** List all current and pending awards/grants related to this project. Provide the funding source, amount, status (awarded or pending), duration, and a 2-line summary of the goal/use of the funds. Applicants **must** use the template provided under the *Summary* tab. If no other current or pending awards/grants exist, indicate “not applicable” or “N/A” on the form and upload the document.
- **Letters of Commitment (optional):** Upload letters of institutional and/or collaborator support. Multiple letters must be combined and submitted as a single PDF document (up to 10 pages). A maximum of 2 letters may be present on a page. Provide an explanation if no letters of support are provided; upload this explanation as a PDF document.

- **Biographical Sketches (PDF format):** Use the template provided under the *Summary* tab for each biosketch. Only biographical sketches will be accepted; do not submit resumes and/or CVs. The biosketch for each individual must not exceed 2 pages. If a position is not yet filled, upload a job description.
  - **Program Director and Co-Program Director Biographical Sketch(es):** A biosketch for the PD and Co-PD (if applicable) is required.
  - **Biographical Sketches of Key Personnel:** Up to 3 additional biosketches of key personnel (excluding PD and Co-PD) may be submitted. The evaluation professional biographical sketch is optional and will count as 1 of the 3 additional biosketches. ## 14. TAB 5: BUDGET

The budget section is composed of 4 subtabs that must be completed.

1. Budget for All Project Personnel
2. Detailed Budget for Year 1
3. Budget for Entire Proposed Period of Performance
4. Budget Justification

All 4 subtabs must be completed to finalize this section. A detailed budget for the first year of the project is required. Budget requests must be well justified. Do NOT include unallowable expenses (eg, shared costs, promotional items).

### Summary of Maximum Funding/Duration

<b>Award Mechanism</b>	<b>DI</b>
<b>Duration of Project</b>	24 months
<b>Maximum Funding</b>	\$300,000

**Note:** Some or all of the following buttons appear on each subtab.

**Previous** = move to the previous subtab

**Next** = move to the next subtab

**Save Budget as Draft** = save entered information

**Finalize Budget for ASO Approval** = finalize section

The *Previous* and *Next* buttons allow the user to move between subtabs while retaining entered information for as long as the user is on the *Budget* tab. Information entered on any subtab is NOT saved until the *Save Budget as Draft* button is clicked. Moving from the *Budget* tab to another tab without saving will result in loss of any unsaved changes.

Expenses in the proposed budget must be categorized as personnel, fringe benefits, travel, equipment, supplies, contractual, other, and indirect costs. Information on the expenses associated with these budget categories and allowable costs can be found in Chapters 9 and 10 of the [CPRIT Policies and Procedures Guide](#). The guide's expense classifications in each budget category carry over to the quarterly financial status report that must be completed for every funded project and approved by CPRIT. If for any reason an expense is not categorized correctly in the budget of an application that becomes an approved project, that expense will have to be recategorized to conform to CPRIT's requirements and be approved in a quarterly financial status report.

**First Name and Last Name:** The PD's name is prepopulated. Enter names of other individuals as necessary. Additional rows will autoappear once text is entered into the existing last row.

**Role on Project:** The PD's role is prepopulated. Enter roles of other individuals as necessary.

**Type Appointment (Months):** For each individual listed, enter appointment type (eg, 6-month, 9-month, 12-month appointment).

**Annual Base Salary:** For each individual listed, enter institutional base salary.

**Effort on Project:** For each individual listed, enter percent effort on the project.

**Salary Requested:** The individual salary cap for CPRIT awards is \$200,000. (See [section 14.5](#), Salary Cap.) Click *Calc* to autocalculate the requested salary.

**Fringe Benefits:** For each individual listed, institutional fringe benefits must be calculated based on the individual's direct salary requested.

## 14.2. Detailed Budget for Year 1

Provide the information requested for other direct charges in the first year of the project.

**Travel:** Include any charges associated with necessary travel. CPRIT funds may be used to send up to 2 people to CPRIT's conference. International travel and travel to conferences require approval prior to the travel occurrence through either the application or the submission of a request after a project is funded.

**Equipment:** (400-character limit): Itemize each piece of equipment having a useful life of more than 1 year and an acquisition charge of \$5,000 or more per unit that is anticipated to be purchased for use in the project. Each piece of equipment must be approved by CPRIT prior to purchase. Preapproval through the application is not required; if the project is funded, approval may be requested during the period a grant is active and will be considered on a case by case basis. However, any proposed equipment purchase in an application removed by a peer review panel will not be reconsidered if the project is funded.

**Supplies** (800-character limit): Itemize costs for project materials, consumable office supplies, and tangible equipment with a cost under \$5,000.

**Contractual (Subaward/Services Contracts)** (400-character limit): Itemize any service contract directly related to the project such as those for specialized services. For the purposes of the budget, these are all considered subcontracts. Provide direct contract costs only. Any indirect costs charged on a subcontract must be categorized as an *Indirect Cost* and are calculated in the overall 5% indirect cost cap. Each subcontract must be itemized in the *Budget Justification*

subtab by providing project charges for personnel, travel, equipment, supplies, and other expenses.

**Other** (800-character limit): Itemize other project-associated expenses such as client participation incentive gift cards or transportation services and non-contractual clinical services charges (i.e., screenings, vaccinations, etc.).

**Indirect Costs:** Texas state law limits the amount of awarded funds that may be spent on indirect costs to no more than 5% of the total award amount (or 5.263% of the direct costs).

**Note on Subaward contracts:** Subawards may recover up to the maximum of 5% in indirect charges of the total requested subaward amount. However, any indirect charges recovered in a subaward count towards the overall 5% indirect cost limitation of the funded award. Therefore, the primary institution completing the application must ensure that all indirect costs are calculated correctly in the total amount requested. If a project is funded, the primary institution receiving the award must manage the subaward contract costs including the allowable indirect costs.

### **14.3. Budget for Entire Proposed Period of Performance**

Amounts for *Budget Year 1* will be autopopulated based on the information provided on the previous subtabs, namely, *Budget for All Project Personnel* and *Detailed Budget for Year 1*. Adjustments of up to a 3% annual increase for salary and other categories are permitted for additional years. A 3% salary increase for Years 2 to 3 is permitted up to the cap of \$200,000. The salary cap (see [section 14.5](#): Salary Cap) may be revised every year at CPRIT's discretion.

**Estimated Revenue:** Applicants should provide estimated revenue amounts and the source of estimated revenue (eg, collected registration fees for professional conferences). Estimated revenue should not be deducted from or added to the total requested budget.

### **14.4. Budget Justification**

Provide a brief and concise justification of the budget for the entire proposed period of support for all budget categories: Personnel (salaries and fringe benefits), travel, equipment, supplies, contractual charges, other expenses, and indirect charges. **Each subaward must itemize project charges for all budget categories.** Note that the information for the fourth subtab, *Budget Justification*, is submitted as a PDF upload under Tab 4 (*Required Documents*). Click the link on the *Budget Justification* subtab to go to Tab 4 (*Required Documents*).

## 14.5. Salary Cap

The salary cap for CPRIT awards in FY 2020 (September 1, 2019, through August 31, 2020) is \$200,000. Thus, the maximum direct salary support that an individual can request is up to \$200,000 of his or her institutional salary based on percent effort on a project. The following table outlines the salary cap guidelines. Institutional fringe benefits should be calculated based on the direct salary support requested.

<b>Base institutional salary (full-time calendar appointment)</b>	<b>Effort on project</b>	<b>Maximum direct salary support that would be requested by the applicant</b>
Less than \$200,000	1-100%	Up to base salary
More than \$200,000 (eg, \$300,000)	100%	\$200,000
More than \$200,000 (eg, \$300,000)	50%	\$100,000

## 15. TAB 6: FINAL REVIEW & SUBMIT

When Tabs 1 through 5 have been completed and finalized by the applicant, the status of the application will be set to “PENDING ASO APPROVAL.” The ASO will then receive a notification email to review, approve, and submit the application to CPRIT. Only the ASO (or the designated alternate ASO) is authorized to officially submit the application. The ASO should log in to the system and click the appropriate application ID number under the *My Applications* page. To submit the application, the ASO must enter his or her password and click the *Approve and Submit Application* button. The ASO will then be asked to click the *Continue* button to submit the application. After the application has been submitted, the status of the application on the *My Applications* page (and also on all tabs of that application) will state “ASO APPROVED AND SUBMITTED.”
