

CANCER PREVENTION & RESEARCH INSTITUTE OF TEXAS

REAL MOMENTUM **MEASURABLE RESULTS**

The Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion, 20-year initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention and product development projects. Established by the Texas Legislature, our three-fold mission is:

Invest in the research prowess of Texas universities and research organizations

- ▶ 295 stellar researchers and their labs recruited to Texas research entities
- ▶ Texas achieved 3 NCI comprehensive cancer centers - previously only MD Anderson Cancer Center
- ▶ \$2.91 billion in direct follow-on funding raised by CPRIT grantees
- ▶ 73 CPRIT core facility awards and renewals to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

Expand life science infrastructure by attracting companies to Texas & creating high-quality jobs

- ▶ 56 companies started, expanded, or brought to Texas with CPRIT investment totaling \$639 million
- ▶ 53 CPRIT-funded companies have established connections to Texas academic institutions
- ▶ \$1.21 billion total expenditures generated by CPRIT activities statewide in 2022
- ▶ \$49.4 million annual state and local tax collections
- ▶ \$6.57 billion (10 to 1) direct follow-on funding raised by CPRIT companies
- ▶ Over 7,840 permanent jobs created in 2022 in Texas

Expedite innovation breakthroughs in prevention and cures

- ▶ 48,817 patients in 273 clinical trials or studies statewide
- ▶ \$355 million in grants awarded for 291 prevention projects in all 254 Texas counties
- ▶ 34,096 cancer precursors and 5,058 cancers detected in Texas
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers
- ▶ 12 percent of CPRIT's portfolio goes to childhood cancer projects - proportionately 3 times more than national commitment
